## Dr. Brian Cameron

**Recipient of the MSA Humanitarian Award for Community & Global Service**

In recognition of his exemplary contributions to healthcare in our community, nationally and globally, Dr. Brian Cameron will be recognized at the Medical Staff Association's Annual Awards in June.

Dr. Cameron played a pivotal role in the establishment of a surgery postgraduate training program in Guyana in 2006, the Institute for Health Sciences Education and an annual Guyana Medical Scientific Conference that now attracts more than 400 physicians worldwide.

He continues to work with his Guyanese colleagues providing mentorship and partnership in surgery education, research and patient care.

*Congrats, Dr. Cameron!*
