

# CONGRATULATIONS!

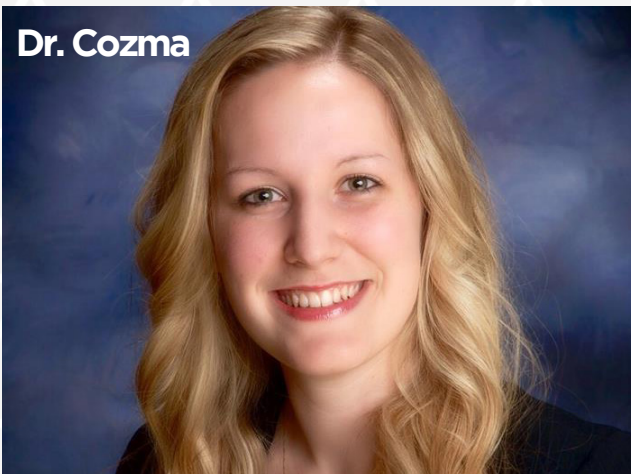

## Dr. Brian Chin & Dr. Ioana Cozma *Congratulations to our 2018 CIP/SSP Cohort!*

Dr. Chin

Brian Chin (PGY2 Plastic Surgery) plans to complete a two-year thesis-based Master's in Health Research Methodology at McMaster. His research will be focused on quality improvement in plastic and reconstructive surgery. Specifically, Brian will look at the factors that influence the quality of breast reconstruction services, and develop strategies to improve utilization. His primary research supervisor will be Dr Marko Simunovic.

Dr. Cozma

Ioana Cozma (PGY2 General Surgery) will be completing a Master's in the Biochemistry program at McMaster. Her research will involve evaluating the sensitivity and specificity of a revolutionary inexpensive paper-based colorectal cancer screening tool. Ioana's primary research supervisor will be Dr Yingfu Li (Department of Biochemistry and Biomedical Sciences, McMaster).
